

# What's Next?

## Transition Timeline

Check these milestones to ensure high school paves the pathway for young adult success and achievement!

### AGES 15-16

The [IEP includes a Transition Plan](#), aligned with the HSBP. The student is a member of the IEP team, which plans a pathway toward a diploma and target graduation date.

### AGES 17-18

Coursework, IEP, HSBP, DVR/TVR/DSB, and DDCS all support the student's life goals and progress toward a diploma.

### AGES 18-19

The student may continue education in a high school transition program.

[DVR: Division of Vocational Rehabilitation](#)  
[TVR: Tribal Vocational Rehabilitation](#)  
[DSB: Department of Services for the Blind](#)  
[DDCS: Developmental Disabilities Community Services](#)

13-14

### AGES 13-14

Student begins a [High School and Beyond Plan \(HSBP\)](#), a Washington State requirement for all students in middle school.

15-16

16

### AGE 16

Get a state identification card. Consider Pre-Employment Transition Services from DVR/TVR/DSB or School-to-Work planning with DDCS.

17-18

18

### AGE 18

Register to vote! Participate in commencement and senior year activities, regardless of when the diploma is earned.

18-19

20-22

### AGES 20-22

The student earns a diploma. They may apply for individualized employment support from DVR/TVR/DSB or DDCS.
